Jesus is all about light. The magi followed the bright light in the sky, until it led them to the dark, cold stable. An angel of the Lord appeared to the shepherds and the glory of the Lord, the bright, dazzling light, shown around them. The baby Jesus, the Light of the World, was born in that stable, offering the gift of light to shine in everyone's hearts.

As we celebrate the birth of our precious Lord Jesus, **Reaching the Unreached** wishes that you experience the Light of Christmas, and that you are filled with the radiance of Jesus Christ shining in your life.

In gratitude and love, we ask God to pour out His blessings on you for giving generously and compassionately so others may experience the love, joy, peace, and hope of our heavenly Father.

May you have a beautiful Christmas celebration with friends and loved ones. And in the New Year, we pray that in all you do, you do it to the glory of God, so you can be assured of success.

In Christ's Love,

Reaching the Unreached
